13 BEFORE THE COURT is Defendant's Motion to Reconsider Conditions of
14 Release (ECF No. 466). The motion was submitted for consideration without oral
15 argument on an expedited basis. Having reviewed the record and the documents
16 contained therein, the Court is fully informed.

17 On June 4, 2019, Defendant appeared before the Court for a detention
18 hearing pursuant to a Petition for Action on Conditions of Pretrial Release. ECF
19 No. 382. At the conclusion of the hearing, the Court granted the government's
20 Motion for Detention (ECF No. 405) and remanded Defendant to the custody of

1 the United States Marshal pending sentencing. Defendant now moves the Court to

3 treatment. In support of his request, Defendant reports that he has secured a bed
4 date for June 26, 2019, at 10:00 a.m., at Pioneer Center East. The government
5 does not object to the motion and the United States Probation Officer defers to the
6 Court. ECF No. 466 at 1. The Court finds good cause to grant Defendant's
7 request and allow him to attend in-patient treatment.
